Wastewater Recycle System

GKC is Pioneer of wastewater recycle system in Thailand.

Especially, recycle to process water such as DI water.

Many references plant over 15500m3/day up to Jun 2011.

Our Proposal;

Zero discharge system at Minebea (January 2008, November 2010)

Minebea cooperated with GKC to establish "Zero discharge system" at Bang pa-in factory

Please refer CSR report 2009 at http://www.minebea.co.jp/environment/reports/2011/index.html

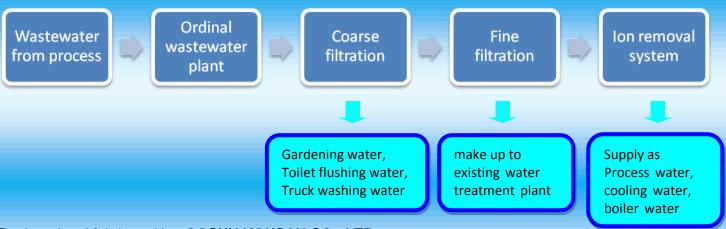

Reduction City water usage tupto 45%.

30% recycle at Toyota Motor Thailand (January 2007)

Toyota cooperated with GKC to establish 30% recycle system

This system recycles domestic wastewater with Process wastewater

Concepts of Wastewater recycle

Designed and fabricated by: GOSHU KOHSAN CO., LTD.
